## **Kilpatrick Townsend Attorneys Featured Speakers and Panelists at Energy Storage USA 2015**

***Rob Edwards Serves as Event Chairman***

**WASHINGTON, D.C. (July 6)** – [Kilpatrick Townsend & Stockton](#) announced today that partner **Robert H. Edwards, Jr.** will Chair the **Energy Storage USA 2015** Conference. Partner **Mark Riedy** will be a featured speaker on financing energy storage projects and **Susanna Kass**, Kilpatrick Townsend's Entrepreneur in Residence for Energy Innovation and Sustainability, will lead a panel on data centers and energy innovation. The conference will be held in San Diego on July 7-8, 2015.

**Energy Storage USA** is the only event in the United States focused exclusively on the commercialization of storage. Energy Storage USA will bring together the leading policy makers, financiers, utilities, developers and manufacturers at the forefront of the energy storage industry to deliver their insights on how to prove the value of your technology within the US energy mix. To learn more about the conference, please click [here](#).

**Mr. Edwards** is Co-Team Leader of the Energy, Project Finance and Clean Technologies Practice resident in the firm's Washington, D.C. office. In his role within the firm's Energy and Project Finance team, Mr. Edwards collaborates with attorneys across the firm to bring innovative structuring and financing solutions to technology companies operating across the energy spectrum. For more information about Mr. Edwards, please click [here](#).

**Mr. Riedy** is Co-Team Leader of the Energy, Project Finance and Clean Technologies Practice. He primarily focuses his practice on U.S. and international project development and finance and private placement representation of renewable and conventional energy, clean technology, environmental and infrastructure clients. Mr. Riedy's clients include developers, lenders, EPCs, O&Ms, equipment providers, private equity, venture capital and infrastructure funds. For more information about Mr. Riedy, please click [here](#).

In her role within the firm's Energy team, **Ms. Kass** collaborates with attorneys across the firm to bring business innovation and sustainability solutions to cloud computing companies operating across the Energy, Information Technology, Health Care, and Automobile spectrums. For more information about Ms. Kass, please click [here](#).
