Kilpatrick Townsend Adds Counsel Ruthleen Uy to Software and Electrical Engineering Team in San Diego

SAN DIEGO (May 27) – **Kilpatrick Townsend & Stockton** announced today the addition of **Ruthleen Uy** to the firm's **Software and Electrical Engineering Team** in the internationally recognized Intellectual Property Department. Ms. Uy will be resident in the firm's San Diego office.

"We welcome Ruthleen to the firm," said Bill Shaffer, Kilpatrick Townsend's Office Managing Partner in San Diego. "She brings an exceptional background that further strengthens the firm's well-respected and deep Software and Electrical Engineering Team. Ruthleen also shares the firm's commitment to providing outstanding client service. We look forward to working with her."

Ms. Uy's practice includes preparing and prosecuting applications relating to the computer, mechanical, and electrical arts in a variety of technologies including computer hardware, computer architecture, telecommunications, mobile communications, voice processing, medical imaging, networks, memory management, data compression, data encryption/decryption, and data storage. Ms. Uy also has prosecuted patent applications before the Board of Patent Appeals and Interferences at the U.S. Patent and Trademark Office. She joins the firm from Sughrue Mion in San Diego where she was a partner.

Ms. Uy earned a J.D. from DePaul University College of Law and received her B.S. in Computer Science from Loyola University of Chicago. She is the immediate past co-president of Pan Asian Lawyers of San Diego and is an active member of Lawyers Club of San Diego.
