Leadership Buckhead Board Chairman Kelli Hilliard has said "Every Leadership Buckhead class is full of insightful, diverse, talented, and authentic leaders. The class of 2018 is no exception and we celebrate the contributions they are making to this years' experience. We are excited for them to continue in the final weeks of their journey as class members and look forward to them sharing their talents next year when they serve as facilitators to the program."

The Leadership Buckhead Program, founded in 1990, focuses on helping high-potential members of the Atlanta community become stronger, more authentic leaders. Leadership Buckhead is a principle-based leadership program, focused on helping growth-oriented members of the Atlanta community become stronger, more authentic leaders. The program consists of nine monthly sessions, including two, two-day retreats and seven full or half-day classes, and spans from October through June. Each session fits within a framework structured around the concept of the natural ability and distinctive spirit that makes each leader unique. The program has been affiliated with the Buckhead Business Association (BBA) since its inception and was historically named the BBA Leadership Development Program. Note: This announcement is made mid-Program year due to the nature of confidential elements of the Program.
