Alternative Careers in Physics: Patent Law

20th Annual Meeting of the APS Northwest Section

Saturday, May 18, 2019-

On May 18, 2019, Dario Machleidt will give an invited talk at the 20th Annual Meeting of the APS Northwest Section at Western Washington University. Mr. Machleidt's presentation is titled, "Alternative Careers in Physics: Patent Law," and will address in part the path he took that began with a B.S. in physics and ultimately led him to join Kilpatrick Townsends Patent Litigation team. An abstract of the presentation can be found here:

<http://meetings.aps.org/Meeting/NWS19/Session/F1.7>.
