Services

Contracts & Commercial

Agreements

Government Contracting & Public

Procurement

Sylvia Lindén primarily concentrates on matters related to major European and international complex projects and transactional work relating to infrastructure, transportation, and energy, including public procurement. She advises on the implications of the public procurement rules for the award of contracts by public authorities and other relevant public law issues. Sylvia also advises on the structuring of consortia to bid for major projects and shareholders' agreements establishing special purpose vehicles. To view this bio in Swedish, please click [here](#).
