Insuring Patent Quality in a Complex, Ever-Involving IP Landscape

East Coast IP Forum 2019

Wednesday, May 1, 2019-

REGISTER : <https://web.cvent.com/event/bf2cf102-d8db-41ba-af63-b5e0ec88d498/summary>

Join CPA Global and Aurora North for a discussion on how to evaluate the quality of your patent portfolio and ensure you have the techniques and tools in place to drive the highest quality at each stage throughout the patent lifecycle. You will hear from top IP leaders on timely topics:

- How priorities and policy changes at the USPTO might impact your work
- What performance measures are most effective in evaluating the quality of your portfolio
- How to consider quality at various stages throughout a patent's or portfolio's lifecycle
