ACC Colorado Ethics Day for In-House Counsel

“Ethical Issues Framed Within Intellectual Property Law Case Studies: An Interactive Roundtable Discussion,”
ACC Colorado Ethics Day for In-House Counsel, December 2017.

A series of hypotheticals are presented for discussion at your table followed by a group airing of ethical IP issues raised. The issues discussed will set the tone for a unique interactive approach to thinking through and navigating real-world ethical dilemmas. No prior knowledge of IP law is required.
