Four Kilpatrick Townsend Attorneys Receive 2016 ILO Client Choice Awards

February 17, 2016

ATLANTA (February 17) – Kilpatrick Townsend & Stockton announced today that four attorneys have received prestigious “Client Choice Awards USA & Canada 2016” from Lexology and the International Law Office (ILO). Since 2005, the Client Choice Awards have recognized those law firms and attorneys around the world that stand apart for the excellent client service they provide.

The following Kilpatrick Townsend attorneys were the exclusive winners for their listed states and practice areas:

- **Rupert Barkoff: Georgia - Franchising**
- **Christopher Bussert: Georgia – Intellectual Property - Trademarks**
- **Thomas Franklin: Colorado – Intellectual Property - Patents**
- **Dennis Wilson: California – Intellectual Property - Trademarks**

The Annual Client Choice Awards are the result of an extensive readership survey of ILO and Lexology in-house counsel subscribers. Clients are asked to rate individual lawyers and law firms on a wide-range of client service criteria. The results of the survey are then used to create shortlists for each work area, and candidates are invited to submit up to five referees. The research team conducts follow-up interviews and additional research. While based on thorough and coherent research, the results remain the subjective views of the Client Choice team. This year's winners were chosen from a pool of more than 2,000 individual client assessments.
