Sales Tax Issues for Retailers

Thursday, April 18, 2019 -

Saturday, April 18, 2020

ON24 ON DEMAND

Retailers are increasingly subject to a complicated array of state sales tax laws. Retailers must determine where to register and collect, whether what they are selling is taxable, how to source certain sales, whether exemptions apply to what they are selling, and how to handle coupon and discount sales as well as sales made through membership programs. This webinar focuses on fundamental and advanced sales tax issues for retailers. It also briefly covers unclaimed property and income tax issues for retailers.

ON24 ON DEMAND

CLE Credit

MCLE credit approval is pending. Please answer the poll question(s) during the program to satisfy attendance verification. Kilpatrick Townsend & Stockton LLP will apply for CLE credit when eligible in California, Colorado, Georgia, New York, North Carolina, Texas, Virginia, and Washington. For states not listed, a Certificate of Attendance which lawyers may use to self-apply for credit will be provided. To request MCLE credit for ON DEMAND webinars, please contact Alaina Maggio.
