Is Franchising Being Threatened (Again)?

New York Law Journal

June 7, 2021

Written by **Marc A. Lieberstein**, **Kathryn B. Shipe** and **Christopher M. Caiaccio**

There is new legislation being proposed at state and federal levels that seeks to address a myriad of wage and labor issues resulting from the pandemic. It's important to know what the legislation provides, consider the consequences, and determine the manner in which franchising parties may avoid or mitigate them, if necessary.
