During this panel discussion, Labor & Employment Counsel Corena Norris-McCluney and Katie Barton will be joined by Mercedes-Benz USA Corporate Counsel Mark Johanson. Chambers USA Editor Toby Eccleshall will moderate the discussion. The webinar will be followed by a live Q&A session.

Key discussion points will include:

- Current governmental impact of regulations governing COVID-19 on the workplace, including vaccinations and questions regarding employers mandating vaccinations or incentivizing employees to be vaccinated and OSHA regulations and workplace safety
- Tougher Assessment of Joint Employer Status and Independent Contractors
- Alphabet Soup: Impact of recent EEOC appointments and potential changes in agency guidance regarding biases and transgender status

This webinar is free to attend. If you are unable to attend the live session, you can register and watch it on-demand 24 hours after the end of the session.
