# Intellectual-Property Indemnification Provisions in Commercial Contracts

Wednesday, May 4, 2016-

Wednesday, May 4, 2016

---

This seminar will address provisions in commercial contracts relating to intellectual-property indemnification (and related defense). Important points to consider, permutations of important clauses in indemnification agreements, typical tender-time disputes, negotiating tips, and related matters will be discussed. Warranties of non-infringement, under the UCC and otherwise, will also be discussed.

Kilpatrick Townsend partner [Steve Gardner](#) will address these issues and your questions.
