# Why Bypass Continuation Is Best For Nat'l Phase Patent Entry

*Law360*

July 28, 2021

Written by **Karam J. Saab**

---

The U.S. is unique in that a Patent Cooperation Treaty, or PCT, application can enter national phase examination via two distinct routes: as a national phase application under Title 35 of the U.S. Code, Section 371, or as a bypass continuation application.
