# Five Tips to Enhance E-Discovery Project Management Impact

January 18, 2018

Written by **Myles L. McLeod**

---

E-Discovery project managers provide a valuable skill set that keeps litigation discovery on-track. As a result, they can have a huge effect on the level of success of their clients' projects. How can we increase the odds that the effect is positive? A project manager can maximize his organizational impact by adopting five simple habits.
