Sittin' at the Table: Panel Discussion on CLOC IP Core Competency Matrix and Best Practices (General)

Corporate Legal Operations Consortium (CLOC) Institute 2019

Wednesday, May 15, 2019-

Join leaders from Duff & Phelps, Kilpatrick Townsend & Stockton, Microsoft Corporation, Roche Industries, and Sterne Kessler Goldstein & Fox, for an exciting discussion about how they are advancing their organizations' operational excellence through best practices. Earlier sessions on managing intellectual property provided a high level overview of the new IP Core Competency matrix and highlighted some examples of concepts being put into practice. Now you have the chance to hear more about it, ask questions, and walk away with practical and actionable tips to managing your intellectual property.
