 Patents

#### Industries

Electronics & Computer  
 Technology  
 Financial Services  
 Fintech  
 Health & Life Sciences  
 Media & Entertainment  
 Medical & Surgical Devices  
 Technology

Scott McMillan's practice covers various aspects of patent law, including foreign and domestic patent prosecution, portfolio management, and strategic development; infringement and validity studies; and licensing and due diligence support. Mr. McMillan has technical experience in various areas of electronics, computers, software and optics. Specific technologies include online video streaming, computer vision and image processing, artificial intelligence, circuit design and VLSI layout, wireless communications, computer architecture, networking, software, optical devices and networks, and semiconductor design and manufacture.

Prior to his legal career, Mr. McMillan worked at one of the world's largest semiconductor companies in hardware and software development, where, among other things, he assisted in the design of a development platform for next-generation portable media devices. He has also been lead hardware engineer at a small media distribution company where he designed and tested multimedia kiosks.

Mr. McMillan lived in Brazil for two years and retains a working proficiency in Portuguese.

Mr. McMillan was recognized as a 2018 Colorado "Rising Star" in the area of Intellectual Property by *Super Lawyers* magazine.

#### Experience

Represented Western Union Financial Services, Inc., a provider of global payment services, as a defendant in a patent infringement lawsuit involving methods for electronic payment processing. Case settled. *Actus, LLC v. Bank of Am. Corp.*, No. 09-0102 (E.D. Tex. filed Apr. 9, 2009).
