Please note: The below information may require updating, including additional clarification, as the COVID-19 pandemic continues to develop. Please monitor our main [COVID-19 Task Force page](#) and/or your email for updates.

The COVID-19 pandemic presents many unique challenges. With changing corporate strategies and priorities, companies should anticipate new or more prevalent legal and regulatory risks. The current climate creates the “perfect storm” for fraud and corruption risks. Taking the proper precautions now will help avoid liability and exposure. This Legal Alert provides a checklist for companies to quickly assess compliance methods to protect themselves and their employees from key compliance risks.
