Working From Home During COVID-19: Tips, Tricks and Best Practices

KT LitSmart Blog

April 9, 2020

Written by **Amy L. Catton**

COVID-19 has forced a new way of life upon many of us. Working from home has become our new reality. Although this change has been sudden for many, there are ways to ensure you are productive and remain sane. In this blog, I will offer some best practices that can help make sure the transition is successful.
