

Distressed Debt & Workouts

Creative Remedies

While the value of real estate has rebounded since the last recession, deals still flounder and require solutions for clients holding distressed assets. Our multipractice team implements cost-effective paths to workouts and restructurings to maximize value of an asset and reduce potential losses.

Reach

Broad Base Of Support

We leverage our strong experience in real estate, banking and private finance, environmental law, zoning and land use, and tax, when assisting clients with real estate and business workouts, financial restructurings, and other distressed debt transactions. Our clients operate in a wide range of industries, including:

- Banking & Financial Institutions
- Retail
- International Property Funds
- Manufacturing
- Construction
- Insurance

Approach

A Clear Path

We determine the nature of the problem and develop strategies and solutions that address our clients position. Our attorneys have experience in specific scenarios, including:

- Real Estate Workouts
- Business Workouts
- Restructuring Agreements
- Loan Modifications
- Foreclosures & Other Remedies, including deeds in lieu, judicial and non-judicial foreclosures, note sales, receiver ships, and deficiency collection actions against borrowers and guarantors
