Chris Blizzard focuses his practice on patent counseling and prosecution primarily in the medical and mechanical devices industries.

Prior to joining the firm, Mr. Blizzard worked as a patent attorney at a California based law firm where he prepared and prosecuted patent applications in the mechanical, electrical, and software arts.

While attending law school, Mr. Blizzard was an editor on the *Computer and High Tech Law Journal*. During this time, Mr. Blizzard also worked as a patent agent for a Silicon Valley law firm.

Prior to law school, Mr. Blizzard was a Patent Examiner at the United States Patent and Trademark Office where he examined the mechanical, electrical, and software aspects of medical device patent applications.
